A perfect package in the tranquil community of King's Corner. Explore this smart, comfortable layout that's filled with modern lux and sophistication - open concept layout ideal for large gatherings, high-ceiling entryway, hardwood floors and cozy gas fireplace. Open to the entire main living area, the kitchen is exquisitely designed for dinner parties and fun gatherings. The grand kitchen island with granite counters and bar seating is sure to be the hub of all the action! Guests will certainly be comfortable in the bright main-level bedroom with a ¾ bath just outside the door.

Retreat upstairs to the bright loft-style bonus/media room. Ceiling speakers await your media room fantasies! Homework area or work from home – life is simpler with the beautiful custom built-in desk
